Cold Storage Defeated by Julia A.

Kangareo's Victory Over the Fleet Birchtwig Proves a Sensation.

Foul Riding of Jockey Evans Throws Dina Watts Out of the

Sensational finishes, unexpected vic fortes and brilliant running races were the eatures of the racing meet at Calder's park yesterday afternoon. Cold Storage's defeat by Julia A., after winning two straight heats and at a time when he was selng wagered against the field, was a surprise. No less sensational was Kangaroo's victory over the fleet Birchtwig fter the latter had won the first heat and established a new track record

Jockey Evans's Work.

The otherwise satisfactory meet was alightly marred by the foul riding of Evans in the three-quarter mile novelty seen in the State. In a five-furiong race Charles Lamar won an exciting race from Greylet by a head, in the fast time of 1.03½, which is a new record for half-mile tracks in Idaho. Evens were trying to assist Hymn, and the judges justly declared Dina Watts out of the race and deprived her of the money won by capturing the first quarter. As a result of this interference Hymn had things slightly his own way on the second quarter, but Commodore speedily cut down his lead and when twenty yards from the finish Nathess, by a master stroke, awing him into the pole and won trom Hymn by a length. The time for this event was 1.18.

Wins Like a Flash

Wins Like a Flash.

The first heat of the free-for-all went off like a flash. At the crack of the gong Elirchtwig jumped to the pole from fourth place and kept up his terrible gait the entire distance, winning out by two lengths from Miss Williams, his closest competitor. Kangaroo finished a fair third, while the old-time favorite. Sarah Green, was distanced. In spite of her faithful work. The time for this heat, 2.16, is three-quarters of a second better than the previous track record, held by Tombstone. The killing gait was too much for Birchtwig and completely exhausted he was compelled to retire at the end of the third heat. Kangaroo won the next three heats in great style and captured the event. Miss Williams' strong finish and her victory over Birchtwig for second money created a sensation.

Julia A.'s victory over Cold Storage was the feature of the trotters and pacers' race. Julia captured the first heat, but the next two went to Cold Storage, who won the second heat in 218½, the best time made during the event. The favorite's strength was evidently exhausted, for Julia won out in the next two heats, despite Cold Storage's hard effort. Chester S. was third, Alfonzo being distanced in the second heat.

Steady and consistent work won the green trotters event for Zeltoka. While the other horses broke, reared and gatloped, Brown's little trotter sped swiftly along, winning three successive heats
